Whitening Forever

We feel that every patient in our practice deserves to have a smile they can be proud of. We are excited to offer patients a unique program we call "Whitening Forever"

When you come to our office for your preventive examination, x-rays and hygiene maintenance, we will provide you with bleaching trays and materials for a one time fabrication fee of \$99.00. Then, at each recommended preventive visit, we will give your a complimentary touch up kit of bleaching gel. This ensures that you will be able to keep your teeth bright and beautiful for a lifetime!

All we ask in return is:

- **You Keep your Recommended hygiene appointment current.**

Your long term dental health is as important to us as it is to you. Our patients have found that keeping these visits regular helps greatly reduce emergencies. That is why we are happy to provide this **extra bonus** for our patients who are committed to their dental health.

- **Provide at least 24 hours notice** if you need to cancel or change an appointment. In order to provide exceptional services like Lifetime Whitening to all of our patients, we ask that you give us the courtesy of advance notice for schedule changes.

We appreciate the opportunity to serve you, and look forward to seeing your bright smile for many years to come!

I understand the Whitening Forever program requirements, and would like to enroll.
